All you need to know about Pompey's  
Play-Off Semi-Final first leg

# PLAY UP POMPEY

Pompey will finally return to action on Friday 3rd July when they face Oxford United in the first leg of the Play-Off Semi-Final (kick-off 5:30pm).

Due to the ongoing situation concerning COVID19, the match - like plenty of others around the world - will be played behind closed doors.

Nothing will ever replace the atmosphere created by vocal Pompey supporters on a matchday, but in these unprecedented times, we have put together a guide on how you can enjoy the game from the comfort of your own home.

# SECURE YOUR SPACE AT FRATTON PARK

Although we won't be opening the doors to supporters, you can still take your place in the stands with a cardboard cut-out of yourself.

Supporters will also be sent a 'Matchday from Home' package featuring a digital issue of the matchday magazine, a copy of the teamsheet and a virtual match ticket.

Fans will also have the chance to be featured on LED perimeter boards before the game.

The package costs £25 – with all profits helping to support the Club's academy!

# FLYING THE FLAG

Pompey fans can make their mark and help deck out Fratton Park for the Semi-Final first leg.

With the game taking place behind closed doors, we are looking for supporters to send in their flags and banners to give Kenny Jackett's side a boost when they emerge onto the pitch.

If you are interested in taking part, please send your name and contact number – along with a photo of the flag/banner and its size – to [info@pompeyfc.co.uk](mailto:info@pompeyfc.co.uk)

# HOW TO FOLLOW

The match will be broadcast live on Sky Sports but fans can also purchase an iFollow audio pass by visiting [www.portsmouthfc.co.uk/ifollow](http://www.portsmouthfc.co.uk/ifollow) to listen to every moment of the game.
