

An exciting part-time opportunity has arisen within the Portsmouth FC academy medical department for a hard-working individual who is passionate about developing high level young athletes.

Working within a well-respected Category 3 academy, the chosen applicant will work alongside the Lead Academy Physiotherapist and other part-time therapists to provide excellent evidence-based care to the young footballers in the academy.

This will include providing medical services to the schoolboys and pitch side cover to the schoolboy teams on matchdays.

The successful applicant will be responsible for providing pitch-side cover for training sessions and matches in the schoolboy programme.

There may be opportunity for the successful individual to assist on Saturdays with pitch-side cover and assist in treatment clinics for the U9-16s in the evenings.

This is an ideal role for a qualified sports therapist or physiotherapist looking to gain experience in a young elite footballing environment. The successful applicant will also receive CPD as part of the departmental programme.

Pay is £35 per training/clinic session and £45 per match.
